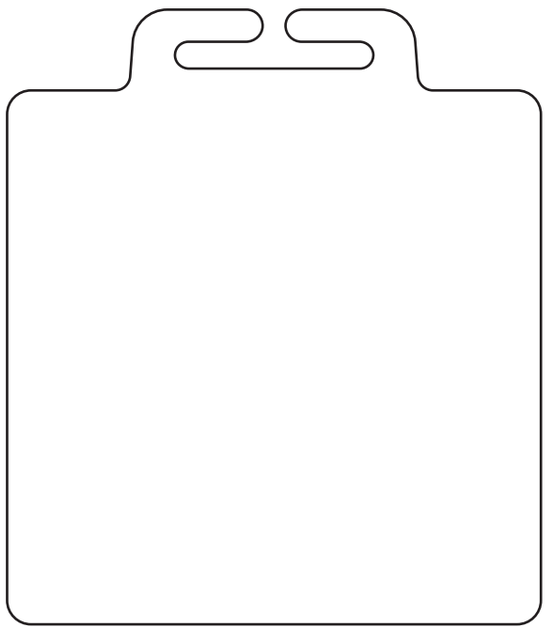
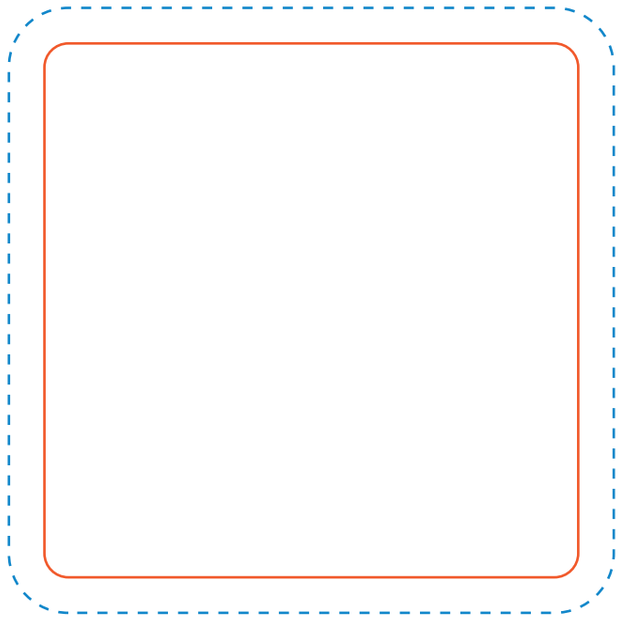
YSELLA MEDAL

TEMPLATE TO 1:1 SCALE





Instructions

This artwork template shows the key design areas for the Ysella Medal. It highlights the safe zones for logos and text, cut lines, and any key visual details to help your artwork fit the award perfectly.

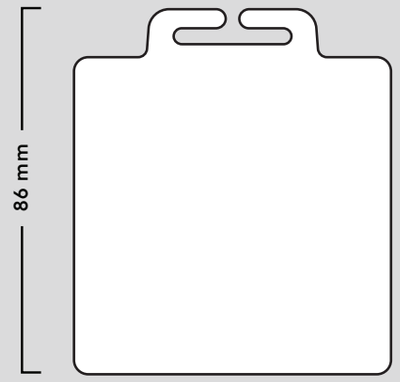
Download this PDF to view or share with your designer. Please ensure your final artwork follows the marked guidelines for the best results. All artwork should be exported as PDF, Ai or EPS.

Format size to be submitted

Artwork should be set in with 5mm bleed to the outer blue dotted line. This ensures that your design can be cut neatly and prevents a clear or white edge.

Finished size

Please make sure you keep text and logos 5mm clear of the cutting edges. This prevents possible cutting of important information.



1.1 Scale
